If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. STATEMENT THAT THE
ABANDONMENT WAS UNINTENTIONAL

**Commissioner for Patents

P.O. Box 1450
Alexandria, VA 22313-1450**

Sir:

This communication is responsive to the Notice of Abandonment mailed 11/03/2009 concerning the above-identified application after the Notice of Allowance and Fee(s) Due was mailed 07/20/2009.

Applicant respectfully submits that the Abandonment of the subject application was unintentional. The circumstances of the abandonment include that a "Change of Correspondence Address" (attached) accompanied the Response to an Office Action that was dated March 27, 2009, such being faxed to the USPTO on March 30, 2009. Clearly the Response to the Office Action was received by the USPTO because a Notice of Allowance was issued. However, the Notice of Allowance was mailed to Applicant's previous address and therefore it was not received by Applicant. The Notice of Abandonment that followed was also not received by Applicant because it too was mailed to Applicant's previous address.

The above-described chain of events was not discovered until Applicant recently performed an audit of Applicant's patent portfolio. It has now come to the attention of Applicant that the submitted Change of Correspondence Address was not processed by the USPTO. Unfortunately, Applicant did not suspect that the submitted Change of Correspondence Address would not be processed by the USPTO. Therefore Applicant's reliance on properly receiving documents from the USPTO after submitting the Change of Correspondence Address was not well founded. Accordingly, the subject Abandonment was completely unintentional.

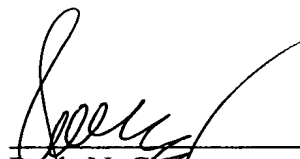

Applicant respectfully requests that the Commissioner also consider whether the above-described circumstances qualify Applicant for a revival of the abandoned application under 37 CFR 1.137(a), such abandonment being unavoidable.

Accompanying this Statement that the Abandonment was Unintentional is a copy of the Change of Correspondence Address that was faxed to the USPTO on March 30, 2009, the PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b), the PART B - FEE(S) TRANSMITTAL and a Credit Card Payment Form.

Respectfully submitted,
